DOJ review(s) completed.

25X1 10. (Unclassified - GLC) Called Richard Moose, Senate Foreign Relations Committee staff, and told him we had set up the briefing he had requested with [ ] and his people for 9:30 Thursday morning, 9 May.

11. (Unclassified - GLC) In the absence of Robert Saloschin, Department of Justice, I talked with Mr. Efroymsen about the Legislative Interdepartmental Group meeting this afternoon and the fact that the Freedom of Information (Kennedy amendment) was on the agenda. I asked if either Saloschin or he would be at the meeting. He said he had no word on this but we learned later from Vince Rakestraw's office that he would attend and would cover the Freedom of Information item.

12. (Confidential - GLC) Received a call from Tom Smith, FBI, who said there has been some action on their contacts with the Muskie Subcommittee on Surveillance. He said the Attorney General had gotten in touch with Senator James Eastland and had gotten their Subcommittee to hold a meeting on the subject this morning. This meeting coincided with a meeting that had been scheduled by Saxbe and several of his assistants with Senators Muskie, Ervin and Kennedy and caused the latter meeting to be cancelled. The three Subcommittee Chairmen apparently got quite irritated about the situation and put out a press release on it. Smith also advised that State Department was sending the Agency a draft of a letter they propose to send to the three Subcommittees for our review.

13. (Unclassified - GLC) Attended a meeting of the Legislative Interdepartmental Group at the White House. Topics covered included military procurement, foreign aid and State authorization bills and the Freedom of Information Act amendment. See Memo for Record.
